# Diego Francisco Lopez Alvarado

## SUMMARY

Hello my name is Diego, I am 27 years old and I am 100% chapin (Guatemalan), I am a very enthusiastic person who loves to have new challenges to be better, I always give 110% giving an excellent job. I am passionate about serving others since I was 14 years old, I have served in various projects and I also like to create impact projects that change lives, I firmly believe that technology can change lives. I graduated from a bootcamp in mexico and I am currently in the process of going deeper into technology.

My goal is that everyone can give their best and that we can learn from each other, and grow together in the process.
